Cub Club Flyer

January, 2008

Fort Myers' Oldest Flying Club

President's Message by Eric Graham

Hello fellow Cub Clubbers! This is Eric Graham the new president elect of the board of directors and avid flying enthusiast. It is my pleasure and honor to serve as president of the board once again and I look forward to a very positive and enjoyable year in 2008.

First, the most exciting news... The Cub Club has a new 4th aircraft, a Cessna Skylane! The new aircraft will be delivered by Dennis Howard and Larry Kirchner. The plane should already be at Page as you are reading this. It is absolutely the finest 182 out there and the club is very proud to be the owner.

Come Tuesday to the general meeting at hangar F69 page field and have a look.

Saturday January 5 the club conducted an initial ground school designed for the 182 so that people can get that part of the qualifications finished and get their check ride scheduled. This one was held at the EAA building at Page Field with Tom Pino and Al Ledet. Contact one of our Club CFIs to start the process of getting checked out, and please be patient, this will be a very popular plane and the process will take some time.

DEC. STATS

Aircraft hours:

933CC	49.0
944CC	55.3
955CC	23.6

Top Flyers for DEC:

Sherrie Lorenz	14.1
Ellen Herr	11.7
Larry Kirchner	11.4

In other news, we have a new activities director, Dave Stealey, who will be getting an activities agenda out to all of you for 2008. Of course we still have Terry around to help and he offers his assistance to anyone who needs it regarding club matters. Sherrie Lorenz is the new secretary for the board and Larry Kirchner is the vice president. The rest of the people remain the same. Please see the back of the news letter for the updates regarding contact information and new board members.

Looking retrospectively we had a good 2007 and finished the process of purchasing a 4th airplane. Prospectively we are planning more activities for the members so hang on and enjoy the ride. I am proud to say that we were able to finance the new 182 with member investments and without outside financing. That is a win-win for the club and the investors. It sets up a good model for the club for future endeavors. Thanks again for those who stepped up and put their investments in place so we could make this happen.

Once again we enjoy everyone's participation and encourage you to come and view the newest addition to our fleet come Tuesday evening.

Best Regards,

Eric S. Graham

Board President

2007 Pilot of the Year Awards

Top Flyers in the Club are given honors at the end of every year for the most hours flown in Club aircraft. Congratulations for 2007 go to:

Larry Kirchner 1st place with 69.25 hours

Ellen Herr 2nd place with 58.35 hours

Martin Hawley 3rd place with 41.20 hours

Trophies will be awarded at Tuesday's meeting. Congrats!!!!

Be sure to checkout the Cub Club website at www.cubclub.net!

Cub Club's New 4th Aircraft... A Skylane!

"Skylane Niner-Four-Niner-Zero-Xray, cleared to land..."

After a whole lot of research and work and hours of time and effort, the aircraft acquisition team finally found us a winner! A beautiful 1985 Cessna 182 Skylane! Here's some of the features:

N9490X

Tinted glass, leather seats

Long range wet wing fuel tanks

Garmin 430, fully IFR

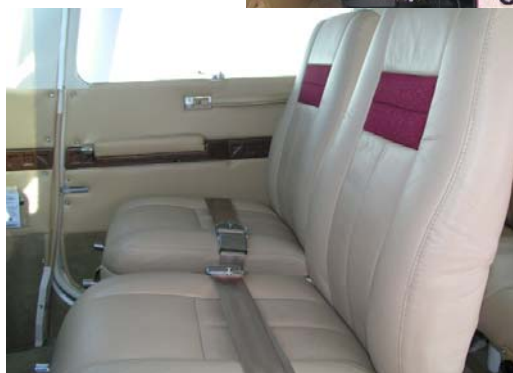

S-Tech autopilot with altitude hold, coupled to GPS and heading bug

WX-8 Storm Scope

Aux Vacuum System

Just over 2000 hours Total Time since New

An initial ground school was held Saturday, January 5th in the EAA Building, and there are some requirements to be checked out in this pretty plane... So contact a Club CFI and sign up! Watch for the new Skylane to be on schedulemaster soon!

Board Meeting Minutes — Synopsis, December, 2007

The board of directors met on December 20, 2007. Below is a synopsis of the business discussed at that meeting:

Treasurer's report-the club's financial status remains strong. A significant net profit was noted for the month, possibly due to reduced maintenance and repair costs. These costs usually average out from month to month.

Membership-the club presently has 89 active, 37 inactive, 8 students, 2 honorary and 3 associate members. The club has a net of 25 new members this year.

Office renovation-will be completed this month after the framed photo donated by Carol Hartman is hung.

Aircraft Acquisition-the club ownership was revised and shows a deficit comparable to the monthly amount that the club's other three aircraft generate. The member dues help to offset this deficit. Financing of the C182 purchase will be done with a note which will be owned by trust in which individual club member investors have shares. Insurance costs will be lowered by developing a club ground school and CFI check for the C182.

New officers for the coming year were selected by the newly seated board. They are Eric Graham(president), Larry Kirchner(vice president), Sherrie Lorenz(secretary and newsletter chair),Chris Kidder(treasurer and disciplinary officer), Steve Hall(membership), Charlie Carroll(maintenance), Dave Stealey(activities chair), Tom Pino(safety officer), Bob Adamski(legal officer).

Please contact any officer or director with any concerns you may have about club operations. The next board meeting will be held January 16, 2008 at 7PM at the General Aviation Center.

Happy Flying!!!

Announcements...

Congratulations to Jerry Wallace, who recently got his instrument rating and is now an IFR pilot!

And congrats also to Jeff Hunsucker for receiving his private pilot ticket!

Great Job Guys!!!!

.....
New Taxiways at Page...

Heads up to all as we swing into season that the new "Charlie" taxiways at Page (through the North ramp along the tower side of Runway 5) are now open... Make sure you have an updated taxi diagram in your flight bag... AOPA.org has the new one you can download in full or kneeboard format...

KEEPING OUR PLANES NICE !

ALL members are STRONGLY urged to please NOT use any ink pens in our Club aircraft...

Mechanical Pencils are Recommended (there is a supply of them in the Club Office) Let's keep our interiors looking good !

Membership Report by Steve Hall

Chandredath Dyaanand

Danny is married 46 year old Commercial Pilot with an Instrument and Multi Engine rating . He has 480 hours total time with 260 hours in PA-28's, and 110 in C-172's.

Danny and his family moved to Florida in 1990, he is originally from Trinidad, and currently live in Cape Coral. Danny is a Manager for Gulf Discount Liquors in Miami Gardens, and has a current medical.

Luciano Andrade

Luciano is a married 45 year old Commercial Pilot/Flight Instructor with 1120 hours total time, 900 hrs in PA-28's, 180 of those being in his own Piper Arrow. He earned his Pilots Certificate in 1986 and his Commercial Pilot/Flight Instructor rating in 1996 in Brazil, South America. Luciano and his family moved to Fort Myers from Brazil 3 ½ years ago, and owns Bundalele Corp., a trucking company.

Larry Nelson

Larry is a married 48 year old Commercial/ATP with 8300 hours total time, 7950 hours in Helicopters, 200 Multi hours in Aero Commanders, and 75 hours in split between C-150's, C-172's, and C-210's. Larry jumped into the Army right out of High School where he flew mostly Bell 206's. Larry and his Family moved from Las Vegas to Fort Myers 1 ½ years ago, and is currently a Financial Adviser. He has a current medical.

Douglas Luckett

Doug is a single 41 year old Student Pilot with 58 hrs total time, all in C-172's, He has been training with Tim Engvalson. He and his uncle own a C-172, and he wants to get his Instrument Rating in the Archers. Doug moved from Sarasota to Fort Myers in the summer of 2005, and is a Hospital Administrator at Lee Memorial health System. Doug has a current medical.

Adam Sewall & Sam Sewall (Family Membership)

Adam and Sam are Father and Son Student Pilots. They are 47 and 15 respectively. Adam is the President & CEO of T3 Communications; the corp. relocated the family to Fort Myers this past July from New Jersey. Sam attends Fort Myers High School, and plans to train at Embry Riddle after high school.

Cynthia Kirchner (Family Membership)

Cindy is a married 47 year old Student Pilot. Cindy is married to our own very active Larry Kirchner. Cindy and Larry moved to Cape Coral ten years ago from Chicago. Cindy is a Consultant with IBM and travels all over the world with her work. Cindy very much enjoys flying with Larry, and is looking forward to taking the controls on her own and together with Larry!

Maintenance Report by Charlie Car-

933CC:

New Starter
Rebuilt caliper
New Brakes
Left main Tire Replaced

944CC:

Turn & Bank coordinator Replaced
New Tire Replaced
Main Avionics breaker blew, Repaired

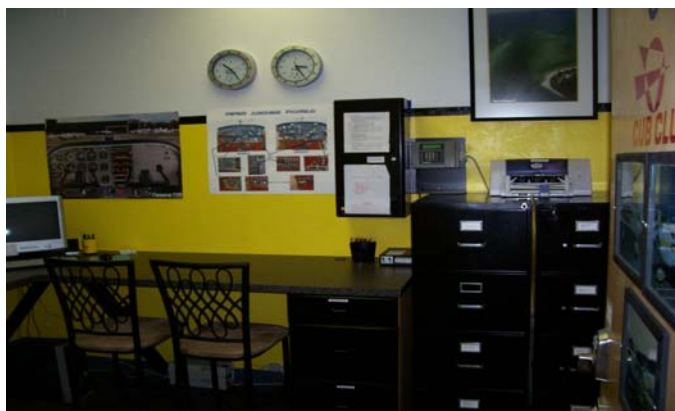

955CC:

Cowling pulled apart, Repaired
Tire Replaced
Engine checked for compression OK

Please keep up the good work. Our planes are the envy of the field, because of everyone's diligence. The new 182R is a gem. Come to the hangar meeting and take a good look at it. Charlie

Club Office Renovation Done by Sherrie Lorenz

The Cub Club Office Renovation project is finished! A huge thank you to everyone who helped out on this. The office looks fantastic and we have a space that we can all be very proud of!!!
