December, 2008

Fort Myers' Oldest Flying Club

President's Message by Eric Graham

Hello Cub Clubbers!

As we wrap up 2008, we look back on the year and all of the events and changes we have seen. Overall, it was a bit of a rollercoaster year. Fuel prices and the economy in general have seen some pretty radical swings. But the Club is still solid and still flying strong, and we are looking forward to a great 2009.

In the past year, we have enjoyed a lot of fun and informative Club events, like the Garmin 430 GPS instructional seminars, which were very popular and well attended. We will have more of those coming soon in 2009 as well.

We also enjoyed some great guest speakers at the General meetings each month. A lot of effort goes into the planning of these meetings, and your Board of Directors is working on making these meetings more fun and informative for everyone. We have a big batch of new members as well as the Board of Director elections at the General Meeting on Tuesday, so it will be a great meeting.

NOV STATS

Aircraft hours:

933CC	13.5
944CC	37.3
955CC	17.9
9490X	26.9
Top Flyers for Nov:	
Ellen Herr	7.7
Mark Hagan	6.2
Charlie Haugen	5.9

On a social level, we always have great attendance at the annual Club Barbeque, and when conditions permit, there are the spot landing contests and other fun flying stuff. There's also the Christmas Hangar party which is right around the corner. This is a wonderful member benefit and is always a lot of fun. Come and share in some holiday cheer and have some food and talk flying with your fellow pilots. The event will be held at the Alpha hangars on Friday, December 12th at 6 PM. We look forward to seeing everyone there. RSVP if you have not already, just so we can get a headcount for the food.

Finally, I would like to thank everyone for all the efforts that were put into the Club over the past year. The events and meetings take a lot of work that all happens behind the scenes, and it is all very much appreciated.

So Happy Holidays to all, and we are all looking forward to an exciting and fun 2009!

Regards,

Eric S. Graham

Board President

Cub Club Christmas Hangar Party 12/12/08

Come enjoy some Holiday spirit! The Cub Club Hangar Christmas Party will be held December 12, 2008 at the Alpha hangars. We will have plenty of good food and good company. This is compliments of your Club, so come on out and enjoy. Please RSVP for a headcount to Terry by email at teraldv@comcast.net or his cell is 292-9231. See you all there!!! HAPPY HOLIDAYS!!!

Board of Director Candidates: And the Nominees Are...

Steve Hall

Commercial Pilot: ASEL, AMEL, & Instrument

I have been a resident of Naples since 1989, and grew up in Fort Lauderdale where I received my Private Pilot Certificate in 1974 (before I learned to drive!!). Took a tour of the world in the Air force and picked up my Commercial, Instrument, and AMEL. I have a degree in Industrial Technology from Southern Illinois University. I currently work for the Collier County School Board where I am the Technology Manager for the Food Service Department. I have been working in the Electronic/Computer field for the past 30 years! I have been a member of the Cub club for 4 1/2 years, and I have been the Membership Officer for the past three years. I am seeking a position of Board Member of the Cub Club to represent the general membership, a give you a voice and convey your concerns to keep this Club Solvent and Affordable! I am asking for your vote Tuesday night, December 9th.

Ellen Herr

My name is Ellen Herr and I am running for a position on the Cub Club Board of Directors. My husband and I have retired, and we relocated to Fort Myers in 2001. I joined the club in 2004, and have previously served on the board and been the club secretary. I learned to fly more than 30 years ago, and have a private license with an instrument rating. I have approximately 1000 hours logged, and continue to enjoy the challenge of maintaining my skills. I also enjoy the safety and convenient transportation that club planes offer when flying to see friends and family in the Midwest. As a board member my goal will be to keep the Cub Club as safe, affordable and enjoyable flying organization.

Martin Lorenz

I am a Private Pilot since 2006, I fly with my wife Sherrie, who just got her Instrument Rating in October. We both absolutely love flying, we are affectionately known as "Tem Lorenz", and are very proud to be Club members. I believe this Club has the best looking and well-maintained aircraft on the field. I am an accomplished businessman, Sherrie and I own Little Caesars Pizza of Fort Myers. I am also a full time Real Estate Broker since 1972. I believe my business sense and experience would be a valuable asset to the Club to keep things running efficiently and smoothly.

Board Nominees... (Cont.)

Doug Pritchard

My wife Florence and I settled in Ft Myers in 2000, moving south from Maryland. I graduated in 1957 with a BSEE, got an MBA in 1984 and CPA in 1991. I am a Navy veteran and have worked as an engineer in shipbuilding, space engineering, automotive safety, had a marine repair business and started a CPA/Tax Preparation firm. At the age of 70 I learned to fly at Page Field, with Instructor Skip Bentley in Cessna 152's and Cessna 172's. I joined the Cub Club in 2005, and am qualified to fly the C-172 and the two Archers. I have total flight time of 188 hours, 95 of which have been in 955CC, which I prefer over the Archers. As a board member I hope to help the Cub Club maintain its excellent financial recordkeeping, its great maintenance program, and to promote safety and informative programs at its meetings.

Marc Scappaticcio

I am a new cub club member, recently relocated from NY to Fort Myers. I come with almost 1500 hours, which I obtained through working as a flight instructor at ATP, and traffic watch in NY/NJ. My wife and I currently entered into a partnership of a Mooney 20J based at Page Field. Usually one day on the weekend, I am at Shell Creek Airport as a skydive pilot. I am very enthusiastic to get involved more with the Cub Club for the opportunity to interact with other fellow pilots.

**VOTING WILL TAKE PLACE AT THE
GENERAL MEETING DECEMBER 9th...
NOMINATION CAN BE MADE RIGHT UP UNTIL VOTING BEGINS,
SEE YOU ALL THERE!!!**

Aviation Day 2008

This year's Page Field Aviation Day was another great one! The weather looked a little sketchy in the morning, but it turned out to be a nice day. The Page Field personnel said there was a new attendance record set this year! The Club had the Skyhawk, one Archer and the Skylane there, as well as a couple aircraft owned by members. We all had a lot of fun talking to people about our Club and flying. Got a batch of new members too! The music, food and vendor goodies were enjoyed by everyone, and certainly the airplanes!

SCHEDULEMASTER: When scheduling an aircraft, you must put your destination in!

.....

From The Treasurer:

It has been a pleasure serving as your Treasurer for the last three years. Boy, the time sure does fly by! I have tendered my resignation to the board of directors and will step aside to allow someone else the extreme and fortunate pleasure of serving as your Cub Club Treasurer, please welcome Larry Kirchner as he steps in to fill this important role; (and please be gentle with him!) I will still be around as one of your club flight instructors so feel free to contact me anytime about that!

Thank you all for being such good members in filling out your logsheets, your time in schedulemaster and paying your bills promptly, I know that Larry will appreciate that as well.

.....

NOTAM: Southwest International (RSW) has issued an alert for increased jet traffic along the coastline over the Fort Myers Beach area, between 1,600 and 4,000 feet, inbound to Runway 6 at RSW. Use additional caution when transitioning this area.
