Fort Myers' Oldest Flying Club

## President's Message by Terry Voorhees

Hello Cub Clubbers!

As you will see throughout this newsletter, the deadline for voting on the new Club Logo & Name is fast approaching! You only have until Tuesday night to cast your vote! This is a very exciting new facelift for the Club, so be sure and cast your vote!

One observation made around the field lately is that there are not many aircraft on the ramps at Page Field. I've also noticed operational changes to many of the businesses on the Field, and at times the Aviation Center is eerily quiet.

Our Club flight hours continue under plan as well. Here's hoping the economic situation starts to turn soon so we can all be flying again.

### AUGUST STATS

#### Aircraft hours:

3521Q	48.0
944CC	10.2
9490X	13.1

#### Top Flyers for August:

Adam Melton	16.9
Norm Hinspeter	9.4
David Burns	6.0

On a much more pleasant note General Pat Halloran, USAF (Ret), will be with us on November 9th to share his military experiences; both flying and commanding high altitude spy aircraft.

And while it occurs to me that some of our members were born AFTER the Cold War, this was politically and militarily a historic time. As aviators - and Americans - you will want to hear the General, so don't miss out! Mark your calendars!

One thought to leave you with: Our aircraft are in excellent shape and ready to fly... So Let's Go!

See you at the Field....

*Terry*

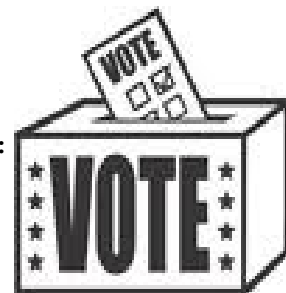

## Vote For The New Club Logo & Name!

Time is running out! Cast your vote for the new Club Logo and Name! Voting closes at the end of this Tuesday's General Meeting!

We wish to thank all of you who have given some thought to our new proposed logos and name changes and have already voted on them. But we still need more members to vote. We need to hear from you!

Please email your vote for both the logo AND the name to: [jimmeyersburg@msn.com](mailto:jimmeyersburg@msn.com), or vote in person at the Tuesday meeting. If you don't want to change anything, let us know that too....

Be sure to checkout the Cub Club website at [www.cubclub.net](http://www.cubclub.net)!

NOVEMBER 9th!

SPECIAL  
EVENT!

It is with great honor we are pleased to announce that our special guest and speaker will be Major General Patrick Halloran, USAF (Retired).

He flew both the U2 and SR71 Black-bird spy aircraft!

Ultimately he commanded the reconnaissance units flying those aircraft, and he has over 8000 military flight hours!

As our guest at the November Meeting, General Halloran will share his experiences as both pilot and commander in a very historic period of military flight.

You will not want to miss this! So mark your calendars! This will be a very special evening!

## Board Meeting Minutes — Synopsis, August, 2010 by Ellen Herr

The officers and board of directors met on August 18, 2010 at 6:35 PM in conference room at the Page Field Aviation Center.

Below is a synopsis of the business discussed at that meeting:

The board welcomed new appointed member Johnny Dorning who replaced Marc Scappaticcio. Marc has resigned due to work and family commitments. Kirchner reported that the club's membership has declined from 150 to 144 members. Revenues are down 12% from this time last year. The list of accounts that are 90 days delinquent was reviewed. Due to the increasing number of late payments, the board voted to add an interest charge of 1 1/2%/month to overdue accounts effective October 1. The 2009 Financial Review was completed and no discrepancies were found. The board accepted the audit findings as presented. Hall reported a member generously donated the Time Trac printer in use now in the office. He has no new member prospects to present at this time. N944CC's wheel pants have been removed and are being evaluated for repair. 90X is going in for annual this month. Troubleshooting continues on 21Q's autopilot. Meyersburg reports the logo options will be summarized and presented to the members for input this month. Planning continues for the Gen. Halloran presentation on Nov 9. Tickets will be offered to club members first at \$15 each. Switlek Aviation will be donating food and beverages before the event. The board discussed the financial status and the declining revenues over the months. Over the past 3 months only 43 of the 55 members who are qualified have flown. Club bylaws require members to be active for 2 years before they change to inactive status. The board voted to increase monthly dues for inactive members to \$20/month effective October 1. The meeting was adjourned at 8:25 pm.

The board meeting will be held on September 15, 2010 at 6:30PM. Any club member having concerns or questions about club operations should contact any board member.

*Got a question about the Cub Club? ASK CUBBY!*

THIS MONTH'S QUESTION AND ANSWER:

*Member: "Hey, Cubby, I went on a great cross-country flight with a Club plane, and bought fuel at other airports. How do I get reimbursed by the Club for that?"*

*CUBBY: "Good question! Number one, save your receipts! When you incur expenses for fuel or oil at an airfield while you have a Club plane, you have 30 days to submit those receipts to the Club Treasurer for reimbursement. An important point: The Fuel is reimbursed gallon for gallon at the Page Field 100LL price, not the price actually paid at the other field. Any repairs or other work which may arise while on a trip MUST be pre-approved by contacting the Club Maintenance Officer or President PRIOR to the work being done.*

*Hangar fees, tie down fees, or other such expenses are the sole responsibility of the member and are not eligible for reimbursement.*

*Thanks for asking!!!"*
